

Royals News

Final Edition

Kingsgate Royals placed 2nd at 'B' Champs. Amazing performances by all the swimmers with lots of heat winners & best times!

From Chelsea: A HUGE thank you to all of you for making these past 3 years such a wonderful experience for me. I have loved working with your kids and getting to know you parents. I am sad to leave....but must enter the "real world" of full-time work.

From Larry & Jerrie: There are not adequate words to describe the past 12 years as part of the Kingsgate Royals family. We began the journey with the intention of staying for 2 years— but after year 1 we were hooked! It has been a joy to watch these kids grow and mature...not just as swimmers, but as people. We have cherished the relationships we have built with so many of you...and fully intend to continue to support the team however we can — even if it is only yearly visits from Spokane! We do love you all! Thank you so much for your overwhelmingly generous gift. We will certainly be thinking of you and reminiscing during the weekend we spend at the lodge. You are an amazing group of people who make up a unique and wonderful community — thank you for "adopting" us.

The Royals placed 19th at 'A' Champs! Personal

bests were broken and the 15 & O boys free relay missed a Royals record by .08. Awesome job by every swimmer!

- 2009 Most Improved**
